## MESSAGE FROM THE EXALTED RULER

As April has finally arrived so has that warmer weather we all have been waiting for, for what seems like years instead of just months. I can now say with confidence that you now can put all that snow and cold weather stuff away and bring out your spring cleaning stuff to enjoy a great summer ahead. Not only is the weather starting to look up for us, so is all the great happenings that are planned for our members and guests here at your lodge.

For those snowbirds that are starting to wonder back from the south, we welcome you back and hope you had a great winter. If any of our snowbirds want to have updates of our winter here, just ask and you will get a lot of stories of how our winter was and I can tell you we won't be smiling about it.

The Elks finished up the month of March with The Jhonny and Sallie show that was held on March 21<sup>st</sup>. This was a sold out event and for those that were unable to get tickets and could not attend I apologize. On the other hand, I am so pleased for the support and turnout for this event. Thanks to all that made this such a successful event for the lodge.

Your board has many more upcoming events planned for this year, so let's all work together to make them all successful. Please check your monthly Elks calendar for upcoming events. In other news the new officers for the 2014/2015 have been installed. Please be sure to thank these members and officers for their time and energy they give to your lodge. We also don't want to forget to thank all our volunteers that also help to make it all happen here at your lodge.

With all this said I only ask that all our members and guests to please continue to support your local Elks 2120 lodge whether by volunteering or just coming out to the lodge for events, parties, golf or just socializing.

Thanks to all for your support,

**Jack Hoge, Exalted Ruler**
