## **MESSAGE FROM THE EXALTED RULER**

In the December Newsletter I announced the Board's decision to keep the Lodge open on Wednesday and Thursday through the months of January, February and March using volunteer bartenders. We have adhered to that schedule for the month of January. However, the amount of business we do on those days, during these months, make it impractical to turn on the lights let alone the heat. So, the Board has decided to reverse its previous decision and will close the Lodge on Wednesday and Thursday during the months of February and March.

The exception to these closing dates will be the third Tuesday of the month for Taco Tuesday and the fourth Thursday of the month for the \$1,000 drawing. We have extended the deadline for payment of the entry fee for the \$1,000 drawing to the third Friday of the month.

Just a reminder – the first meeting in February, that's the 6<sup>th</sup>, we will be accepting nominations for officers for the coming year which begins on April 1<sup>st</sup>. Nominations will also be accepted from the floor at the second meeting in February, the 20<sup>d</sup>, at which time we will also vote on the new officers. Any member is eligible to run for office. Contact any of the officers for further information.

## FROM THE TEE BOX

The time is here for those of you who want to save some money. It is time to pay your yearly golfing fees. Whether it's greens fees with cart fees, or trail fees, or whatever your choice, it is time to pay up and take advantage of the early bird discount. Even in winter there is usually something happening as far as the golf course is concerned. We just received all of the mowing heads for fairways and greens back from being re-furbished. They're in great shape and ready to go. See you on the course.

It's not unusual to see some deer on the course this time of year, but last week-end several elk were spotted out there!

## ELKS WEB SITE

We have been working on a new Elks Web Site for some time now. If you have never had the opportunity to check it out, give it a test run. Not quite finished yet but will be soon. Many of the men's golf league members have used it for the past few years to check their schedule, their latest handicap and standings in the league. It contains a copy of all Newsletters going back several years. Also has a handy reference to the monthly event calendar as well as the Friday night menu. As I said it's not finished yet but you can check it out at [www.elks2120.com](http://www.elks2120.com). Give us your feedback as to items you think would be helpful to you.

If you are reading this on-line then we obviously have your email address. If you know of someone who would like to get the Newsletter have them leave their email address at the bar. Thanks.

As the saying goes, "If life deals you lemons, make lemonade. If life deals you tomatoes, make Bloody Mary's – or better yet – try one of ours!

Why is it that our children can't read a Bible in school, but convicts can read it in prison? Ever wonder about that?
