

ROCHESTER ELKS 2120

AUGUST 2017

ELKS ANNUAL JUNIOR GOLF CLINIC

The Elks Annual Junior Golf Clinic was held the last week of July and was well attended by fifteen participants. Expert instruction was provided by a number of volunteer Elks members.

As you can see from the group picture at the left, there is undoubtedly one or two future PGA professionals as well as a number of future Elks members who will enjoy the game for the remainder of their lives.

Thanks to all those who participated and of course many thanks to those who volunteered their time and expertise to make this annual event so successful.

ELKS CARE, ELKS SHARE!

I just want to remind everyone the purpose of the Elks. We are a benevolent organization, and so much more than a bar, restaurant or golf course.

The value of the Elk's charitable works last year was more than \$194 million nationwide. The Elks have pledged not to forget our nation's veterans. The Elks have expanded their outreach to homeless veterans. The value of contributions last year exceeded \$18 million. We also strive to reach out to young people by sponsoring drug awareness programs in our community and by sponsoring other kid's projects. Six million children nationwide last year participated in Elks sponsored activities.

So far in 2017 the contributions made by your Elks Lodge to our community amount to approximately \$5,000. This includes the following: Rochester High School Scholarships - \$3,000, Hoosier wish for children fighting cancer - \$200, Compassionate Health Care - \$200, Junior Golf Clinic - \$200, Parade of nickels for veterans - \$150, Council on Aging - \$180, Sagamore Council Boy Scouts - \$100, Pack A Backpack program - \$100, Local Fireworks Fund - \$100, Eagle Scholarship Fund - \$100, Fulton County animal adoption center - \$75, Juvenile Correction Gardening Project - \$75, Nick Petterson "Field of Dreams" - \$25.

As you can see, your dues, along with your support of your Lodge, by dining here and playing golf here goes to helping our community. We believe in sponsoring and helping local needs and projects right here in Rochester, and Fulton County. Keeping this in mind, the more members, the more we can do. Set a personal goal for yourself to try and sign up just one new member for the year 2017. If each of you could interest just one person, our Lodge would benefit so much. In turn we can and would be able to do even more for this fine community in which we live.

Fraternally yours, **Klaus**

FROM THE SECRETARY

What an incredible lodge year so far! If you have not been to the Lodge recently, you do not know what you are missing!

On the membership front, as of April 1st, 2017, we started this Lodge year with 508 members. We have initiated 14 new members, and have reinstated 4 previous members, and granted 3 transfer dimitis so far this year. That leaves us with 523 current members.

We collected 109 of the 162 members's dues that were outstanding at the beginning of April so we still need to collect 53 more. Past due statements went out recently. If you have not yet paid your dues, please get them in the mail as soon as you can. If you did not receive a statement, please contact me so I can update your address.

I hope to see you at the Lodge!

Fraternally, **Sandra Eck**

FROM THE EXALTED RULER

Hats off to all our volunteers whom helped make our July activities such as Margaritaville Night, 3 Club Golf Tournament, Taco Tuesday, Tuesday Night Burger and Fries, Wednesday Nite Special, Class Reunions and our Junior Golf Clinic a huge success.

In August we are hosting the Compassionate Health Care Golf Tournament on the 5th and our Centennial +1 Tournament on the 26th. If you're a golfer or inspire to be one and can't make our tournaments, please find time to enjoy our golf course. Our golf course is open seven days a week.
