MESSAGE FROM THE EXALTED RULER – STEVE POLITZ

In spite of Covid-19, good things are still happening at the Elks! Our new patio and waters-edge sidewalk is complete, the seawall has a new coat of paint thanks to Gregg Glass, and Jim Scott has added some new artwork to the bar on the patio. Be sure to stop by and check out all these updates to our facility.

In addition to these improvements made possible through the generosity of several Elk members as well as the hard work of volunteers and Elk officers, the Elks, as with any facility, has additional areas in need of improvement. Please be sure to read the article in this publication that addresses a need for the replacement of some of our golf carts.

Elks 2120 members, you are appreciated for your support and participation in the various events and activities available at the Elks. Thanks also to all our volunteers, staff, and officers for making our Elks a fun place for all to relax and to enjoy family and friends.

GOLF CART FUND

Following several meetings and discussions, Elk's officers are reaching out to our membership for donations to a Golf Cart Fund in order to replenish some of our fleet. At this time, we need at least 5 new carts at a cost of approximately \$25,000.

Each year, proceeds from golf fees and merchandise purchased at the Pro Shop provide most of the revenue needed to sustain the Elks through the balance of the year. Our golf course is certainly vital to the stability of our Elks.

Thank you for considering how you could support this need through a donation to the Golf Cart Fund. Donations can be made at the Pro Shop or mailed to: Elks 2120, PO Box 106, Rochester, IN 46975. Thank you!
