## **MESSAGE FROM THE EXALTED RULER**

Summer is finally here! While we are still facing the challenges of Covid-19, we are moving forward with more activities at the Elks. The golf league is doing well, dining has resumed on Friday nights, and activity on the lake has certainly returned. As we all hear so often and know so well, we ask that everyone still be cautious and use good judgement when around other people and be patient with the guidelines that must be followed at this time.

Thanks to the generosity of several Elk members, be watching for new concrete work on the patio and a new sidewalk area along the new seawall. This too will help to enhance our property.

Don't forget to check our activities board for the months ahead. See you at the Elks!

Steve Politz, Exalted Ruler

## **DINING ROOM**

The Dining Room is now open every Friday evening from 5:30 PM until 9:00 PM. We would like to welcome two new waitresses, Shelby and Lisa. We will continue to offer a limited menu based on meat availability. There will be at least one special for the night in addition to the regular menu. The first Friday of each month will feature a fish fry. In lieu of the regular menu we will serve FISH, FRIES, and COLE SLAW, for \$10. Carry outs are available.

## MESSAGE FROM THE TRUSTEES

Beginning July 4<sup>th</sup>, the State of Indiana is projected to begin stage 5 of the Back On Track Indiana initiative. These guidelines will allow restaurants to operate at full capacity. We will continue to monitor CDC guidance and new information that will help keep safe all our members, guests, volunteers and staff.

Steve Politz is coordinating the completion of the concrete walkway around the seawall. Steve and Jack Hoge have done an amazing job building the stairs and wall. We believe Steve has one more miracle up his sleeve.

With Randy Clark's expertise, we are looking to replace six golf carts. We may need a miracle to make this a reality too. More to come.
