From the Exalted Ruler

Despite the COVID-19, the Elks has enjoyed a pretty good summer. The golf course has been successful in finishing up in the black with the help of volunteers in the pro shop. The Men's Golf League wrapped up their season on September 30th. The course is getting continually better as improvements are made.

When we finally opened the kitchen and bar more people starting attending events again. In these difficult times it is more important than ever to support our Lodge. Other Lodges across the country are closing due to lack of events and support. We need to protect this valuable asset in our community.

I hope you, along with me, personally thank all the volunteers that help to keep our Lodge an asset for the community. Please consider becoming a volunteer this coming year to give rest to those who serve faithfully year after year.

Steve Politz, Exalted Ruler

On Saturday, September 5th bike riders from the Plymouth Elks and Plymouth VFW staged their 1st Annual "RIDE TO GIVE BACK". One of their stops was our Lodge where they all came in for a drink. The proceeds of their Benefit are to purchase U.S. Veteran Grave Markers.
